contact Deb Hericks dhericks@esucc.org

Carrie Russell
Director, Program on Public Access to Information, American Library
Association

Carrie has worked for the Office of Information Technology Policy (OITP) since 1999, first as Copyright Specialist where she developed copyright education programs for librarians and analyzed the expansion of copyright law in the digital environment and its impact on public policy. In her current position, her work includes international copyright, accessibility and e-books. She continues to work directly with librarians on copyright.

Author of *Complete Copyright for K-12 Librarians and Educators*
