

TLT February Training

MAKING THE SHIFT TO STUDENT-LED LEARNING WITH UDL

February 8, 2023

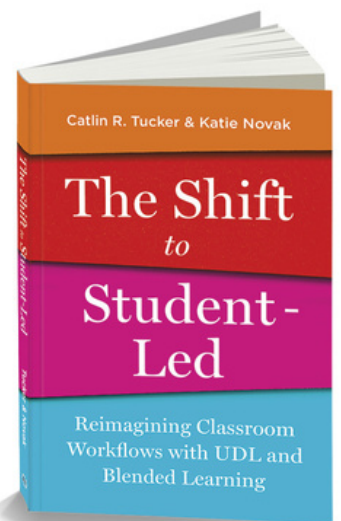

9:00 am - 12:00 pm CT

Zoom

In this session:

- Discover that when we transfer the power of design, decision-making, and collaboration to the learners we serve using the best practices of Universal Design for Learning, we create spaces that allow them to build skills necessary for success in any pathway they choose to pursue.
- Learn how to support teachers in implementing UDL-aligned workflows that will help shift the workload to students.
